

**REMARKS**

This is in response to the Notification To File Missing Parts allegedly mailed May 31, 2005. A copy of the Notice to File Missing Parts identified in the Notice of Abandonment mailed May 8, 2006 which was sent to Morrison & Foerster, the previous law firm responsible for this application who forwarded it to us, was never received by Applicants. Attached to the Notice of Abandonment was a Raw Sequence Listing Error Report. Applicants are therefore submitting this reply to respond to the Raw Sequence Listing Error Report.

Applicants respectfully submit herewith replacement copies of the Sequence Listing (COPY 1 and COPY 2) that conform to 37 CFR §§ 1.821-1.825 and the Sequence Listing in computer readable form (CRF COPY), all on compact disc, accompanied by a Statement to Support Filing and Submission in Accordance with 37 CFR §§ 1.821-1.825. The sequences in the specification at page 43 have been entered into the Sequence Listing and the specification amended to include the corresponding sequence identifier numbers. The specification has been amended adding the required paragraph for submission of Sequence Listings only on compact disc. No new matter has been added. Entry of this Sequence Listing into the application is respectfully requested.

This reply accompanies a Request For Withdrawal Of Holding Of Abandonment or in the alternative, a Petition To Revive. No further fee is believed due. However, if any additional fee is due, please charge our Deposit Account No. 03-2775, under Order No. 12810-00043-US from which the undersigned is authorized to draw.

Respectfully submitted,

By
